The International Wild Trout Symposium is an Ad Hoc Association managed by an organizing committee made up of government agency and tax-exempt conservation organization representatives. Because the Symposium is currently in the process of incorporating, it is using the offices of one of its main sponsors, the Federation of Fly Fishers (FFF), to accept, manage, and distribute donations and funds related to all tax exempt transactions. As such, the Symposium operates under the Tax Exempt and Tax Deductible status of the Federation of Fly Fishers in full compliance with State and Federal regulations. The FFF is a 501(c)3 non-profit organization. Gifts are tax deductible pursuant to IRS rules governing charitable contributions. The Federation's Tax Identification Number is 23-7037444.
